We Are All About You

It really is ALL about you, it is never about Galvaniize Insurance. We are not agents of any Insurer; our advisers act for you at all times for your general insurance inquiries and placements.

We understand not every client has a simple task or insurance program. Whether it be personal or business our team is a phone call or an email away. We're ready to help with your day to day challenges, inquiries and future plans. Your one stop shop for your insurance guidance.

Our office locations are in Sydney, Central Coast, Melbourne, Brisbane, Perth and Adelaide.

Who We Can Help

Anyone who wants insurance advice with broker/adviser added value on any class of insurance.

We cater for a wide range of clients, whether they be individuals, small to medium companies or large organisations.

We're always ready to help.

Broker / Adviser Added Value

Galvaniize Insurance can provide you with:

- Responsive service, we're working for you. Unlike agents, we have your best interests at heart.
- Broad wordings:
 - You must ask us how. When acting as your exclusive broker, we have access to a range of superior wordings available only to broker markets. We can also create and negotiate bespoke wordings/endorsements to ensure you are protected beyond the standard shelf policy.
- Claims Support:
 - We are your sounding board in difficult and/or easy claims. We are working for you at all times to achieve the best result.
 - We have aided in millions of dollars in claims settled.
 - Steadfast Technical and Legal Support, strength and advice when you need it.
- Guidance:
 - Minimising Litigation, Risk & Losses by way of insurance.
 - Sourcing the right insurers and insurance quotes/products to suit your needs.
- Policy Wording Comparisons.
- Large Panel of Insurers, Quality Security and Broker Exclusive Products.

Steadfast

Strength When You Need It

CBN provide the infrastructure to Australia's largest general insurance authorised broker network. Reliable, Stable, Trusted. The CBN accounts team handle all premiums in trust, this money is protected and paid on time to your insurers. In 2019 alone they handled in excess of \$585m in gross written premiums plus taxes.

CBN is a Steadfast subsidiary. Being part of Steadfast provides Galvaniize Insurance with a competitive advantage including broad wordings and access to Steadfast Triage – Free Technical and Legal support. The Triage service alone is priceless in supporting Galvaniize in claim negotiations and has and will continue to save thousands of dollars in potential legal costs for Galvaniize clients.
